

CommUart_Init

```
graph LR; A[CommUart_Init] --> B[CommUart_RegisterRxTask]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'CommUart_Init'. A blue arrow points from this box to a second box on the right, which is white and contains the text 'CommUart_RegisterRxTask'. Both boxes have a thin black border.

CommUart_RegisterRxTask
