```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'Stm32g4xx_system'. The box on the right is gray with a black border and contains the text 'STM32G4xx_System_Private' on the top line and '_Functions' on the bottom line. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship from the private functions to the system module.
